

Estimate of Yearly International Student Fees for 2016-17

Effective July 1, 2016

Note: All fees are subject to change and are in Canadian Dollars. Cost of books, supplies, tools, etc. are not included. Actual fees are available once course registration occurs, approximately one month prior to start of classes. Students can check their WebAdvisor accounts for the actual fee statement once registration has occurred. Please check the Program information on RRC's website for more information at www.rrc.ca.

The College does its best to update application and program information regularly so applicants are not inconvenienced. However, on occasion, changes do occur. The College reserves the right to modify or cancel any program, process, or procedure without notice or prejudice.
